## INSTRUCTIONS FOR ASSEMBLY AND USE OF SPORTS EQUIPMENT

Product:

**BASKETBALL BACKBOARD 105X180 CM – EPOXY**

Code: 10 111

**BASKETBALL BACKBOARD 90X120 CM – EPOXY**

Code: 10 112

The basketball backboard meets the conditions of PN-EN 913-2019-3 and PN-EN 1270:2006 "Pitch Equipment – Basketball Equipment. Functional and Safety Requirements, Research Methods."

### 1. Product description

#### 10 111

Made of 17 mm thick epoxy. Used in indoor (gymnasiums, sports halls) and outdoor facilities (sports fields).

#### 10 112

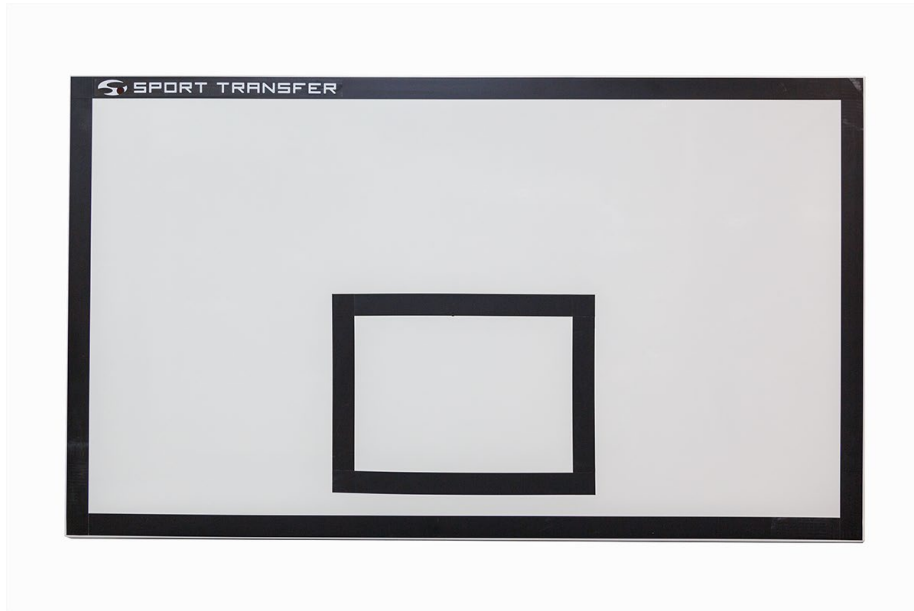

Made of 17 mm thick epoxy. Used in indoor (gymnasiums, sports halls) and outdoor facilities (sports fields).

### 2. Purpose

The backboard is designed for basketball in sports halls and outdoor facilities.

### 3. Components

Number	Name of part / component	Quantity per product
1	Epoxy basketball backboard	1

### 4. Installation of the basketball backboard

- Install the backboard on a properly fixed basketball structure.
- Drill mounting holes in the board to suit the existing frame or structure by drilling through it.
- Fasten the backboard directly to the structure or the existing frame using M10 screws with their length adapted to the basketball structure and a hardness grade of min. 8.8.
- Do not attach rims to the backboards without additional steel reinforcement in the back of the board. The installation without reinforcement may cause the board to break off at the rim attachment point.

**Note:** installation may only be carried out by adults authorised to work at heights using a scaffold.

### 5. Using the backboards

- The basketball backboard is designed for use in sports halls and outdoor facilities.
- Periodically check the fasteners of the backboard and the condition of the backboard material.
- Do not subject backboards to mechanical damage /such as cutting, notching, burning etc./.
- If cracks are found, stop using the backboard and contact the manufacturer immediately.

## **6. Transport, storage, maintenance, disposal**

- a) The basketball backboard is supplied by the manufacturer in a cardboard box with the following dimensions: 185x110x6 cm and weighing 31 kg. – article No. 10 111, 125x95x8 cm, weight: 15.5 kg. – article nr 10 112
- b) The product is intended for permanent installation – not for storage.
- c) To be wiped down with a cloth dampened with a mild cleaning agent by persons with the appropriate qualifications for working at heights.
- d) Depending on local requirements, the product may be intended for recycling or energy recovery after use.
- e) The product and its accessories must be properly disposed of at an appropriate local waste disposal/recycling facility.
- f) Correct disposal will help to prevent potential negative consequences for the environment and human health and promote the recycling of materials and resources.

## **7. Warranty**

- a) The basketball backboard comes with a 24-month manufacturer's warranty.
- b) The warranty does not cover damage caused by improper use e.g. cutting, slashing, burning, etc.
- c) The warranty does not cover the use of the basketball backboards contrary to their intended use.
