Product description <p>Posts made of oval 100 x 120 mm reinforced aluminium profiles, fixed in a special weighted base of 180 kg per post. With wheels for easy transport. Bolt tensioning mechanism located inside the post, sliding eccentrically for easy adjusting and locking net tension in desired position by clamping the lock. Five mounting points of the net for tensioning on every post. Stepless adjustment of net height. Mounting system enables training volleyball courts to be set up without damaging the flooring. The height of the posts follows volleyball regulations.</p>
